# Campus Bulletin

No. 6 - 92 February 20, 1992

THOUGHT FOR THE WEEK:

Seeing all the possibilities, seeing all that can be done, marks the power of imagination. Your imagination stands as your own personal laboratory. Here you can rehearse the possibilities, map out plans, and visualize overcoming obstacles. Imagination turns possibilities into reality.

**ANNOUNCEMENTS:**

Special Thanks - to the guys and gals for helping with the last week's Valentine's party. It was a huge success! Also extra special thanks to those who helped clean up the COED lounge after the party. I hope we have more dorm activities like this! Thanks again, Joanna Charpentier, High School

Vision screening - We have completed the annual vision screening as directed by state law. Around 70 students were involved this year. Results of tests will be mailed to parents this week. Remember parents: This is a screening only, any unusual results should be further evaluated by an eye specialist. Cherie Coffey, R.N., Health Center

Attention 5th grade parents - The Department of Health (DOH) requires that all students entering the 6th grade in the fall of 1991 file proof of a second measles vaccination. You are encouraged to seek this vaccination from your private physician or clinic before the Summer of 1992 to ensure availability of an appointment and the vaccine itself. A written physician's statement, as proof that the vaccine was given, will be required. This proof can be added to your child's medical form at the time of his/her physical exam (which is required at least every three years). These forms will again be mailed to you at the end of the current school year. Another reminder: If your child has any plans to take part in any ISHAA (Indiana High School Athletic Association) events during the next school year ('92-'93), he/she must have a physical exam performed by your physician this summer. The forms for this will also be sent to your home at the end of this school year. If these situations apply to your child, please get the appropriate appointments scheduled soon to avoid any frustrations next fall.
Cherie Coffey, R.N., Health Center

Odd Shoe Exchange - The National Odd Shoe Exchange, P.O. Box 56845, Phoenix Arizona, 85079, now has TT service! The number is (602) 841-3349. This organization provides services for amputees, prosthesis wearers, etc. They will send a free shoe to anyone who sends them their unwanted "odd shoe". Bob Kirkman, Kiwanis International

Core Committee Update - Eight candidates responded to the committee's request for additional information. Four candidates have been invited to ISD for interviews.
Jerry Thixton, Core Committee

Speech Curriculum Committee Meeting - The committee to develop a curriculum for speech will meet in the Preschool Multi-purpose room on Tuesday, February 25th from 8:15 - 3:00. This committee has been formed somewhat differently than the more recent curriculum committees. The Bi/Bi Committee has been working on this project (speech curriculum) for quite some time, and this is the process decided upon last year. As a result of the Bi/Bi Committee meeting of January 28th, the following people volunteered and have agreed to work on this committee: Eric Mansfield, Cindy Lawrence, Beatrice Pfaff, Linda Canty, Laurene Gallimore, Peggy Baldridge, Louise Fitzpatrick, Kay Green, Melody Hunt, Leslie McIntosh, and Sharon Baker. Judy Cass, Principal's Office

ASL Teacher Needed - There is a need for an additional ASL instructor for evening classes for parents. This group is now at the intermediate level (units 5 - 6, cumulative units 1 - 6 Deaf culture) of the Signing Naturally Curriculum. You would earn "comp time" for planning and teaching the class. Please contact Ann Reifel, Brian Brizendine, Diana Battiste, or Beatrice Pfaff if you are interested.

TESOL Curriculum meeting - On Tuesday, February 25th, Louise Fitzpatrick will hold a meeting concerning the content of the curriculum to teach English as a second language. Realizing that many of you have commitments after school hours and realizing how much we need your input, we have decided to suspend the regularly scheduled inservices this day and hold the curriculum input meeting in their place. Please come to the library from 3:15 to 5:00 for this meeting. Louise will present the outline already developed and ask for your input at that time. Judy Cass, Principal's Office

Attention Parents!!! - ISD will host a meeting concerning Article 7, the new special education law, Sunday, March 1st, from 4 - 6 pm in the auditorium. Please come with your questions about Article 7, as we are prepared to answer them. Rachel Stone, Assistant Superintendent/Education, Judy Cass, Assistant to the Principal, Jennifer Seet, HIP

Mathematics at ISD - Elementary and Middle School teachers have worked diligently this year learning how to use manipulatives in teaching mathematics. Weekly inservice meetings after school and during prep times allow us to experiment with these marvelous materials, plan lessons, and share successes and frustrations. I have had the joy of teaching demonstration lessons in two elementary classrooms. We really have some neat, bright kids here! With the assistance of Ann Reifel, ASL Instructor, Preschool teachers collaborated on how to sign mathematics concepts in ASL. Appropriate early modeling is so crucial! This spring I will observe classes and provide feedback to teachers on implementing the mathematics curriculum. What about textbooks? More exciting news on that front later...
Yvonne Johnson, Mathematics Resource Specialist

PTCO Sign Classes - Families or friends interested in taking ASL classes should fill out one of the attached forms and return to the Preschool department, Att: Beatrice Pfaff & Rita Frye. Please note - families of ISD students will receive free classes, separate from the PTCO classes. Encourage your family and friends to register now! Registration forms are attached to this week's CB for both Family and PTCO classes. Please feel free to copy and distribute them. Registration for the next series of classes will be February 24th, 25th, 26th, and 27th, 7 - 8 pm in the Preschool Multi-purpose room. Classes start the week of March 2nd. Beatrice Pfaff & Rita Frye, PTCO Sign Class Coordinators

N.Y. School to visit - Staff from the Cleary School for the Deaf in Long Island, New York, will be visiting ISD on February 27th & 28th. Their school is also in the process of becoming Bilingual and Bicultural. They will be meeting with Curriculum staff & the Bi/Bi Coordinators and observing in classrooms. Ann Titus, Bi/Bi Coordinator

CB Changes!! - The Campus Bulletin encourages submissions to be made electronically (by computer.) This will make preparation of the CB easier and hopefully make the Bulletin better. Submissions may be from either a WordPerfect or a First Choice "doc" file, and may be sent to the Principal's office on a floppy disc or via the Network's electronic mail feature. We need and want more submissions! In addition, we now have the capacity to incorporate drawings, photos, and other graphics in the CB. Please forward materials to the Principal's office. Since art submissions will need to be "scanned" first, the deadline for graphics submissions will be Mondays. Gary McWhirter, Principal's Office

ASL Teachers Needed (Redux) - Persons interested in teaching ASL classes through PTCO should contact Beatrice Pfaff (924-8404 - Preschool to leave a message) or Rita Frye (769-4431) (Both phone #s v/tty) You must be fluent in ASL. We will have an ASL Teacher's training class to learn the principles of teaching ASL. This workshop will be held on Saturday, February 22nd from 1 - 5 pm, led by Laurene Gallimore. There will be a charge of $5. The class will be in the Multi-Purpose Room. There will also be a meeting (for ASL Teachers) on February 22nd from 10 - 12 to discuss better teaching ideas and systems. Beatrice Pfaff & Rita Frye, PTCO Sign Classes Coordinators

TV Studio Open Meeting - On February 5th, an open meeting was held pursuant to reestablishing the Television Studio. WXIN 59 News Director Lee Valenti was present with some ideas and offerings. Among these were equipment, assistance, and, most importantly, time. Mr. Valenti informed us that he has contacted American Cablevision on our behalf, and they have consented to letting us borrow equipment toward the goal of creating Public Service Announcements (PSAs) to be aired on television. Mr. Valenti has said that he will assist us in the production of PSAs and that he will assist us in getting them aired on television, on both 59 and through cable. Mr. Valenti has endowed himself and his resources to us at no charge and we should take full advantage of this opportunity. The next meeting will be on February 26th at 3:15 in the Vocational Library. Campus-wide input is needed. This is a challenge to the ISD community, to show that it is not only capable of excellence, but is striving for it. Linda Lloyd, Supervising Teacher, Vocational

ISD Museum - ISDAA's Landmark Committee has been officially formed. Our current goals are to establish an ISD museum and to have the two vacant buildings renovated. We are now in the process of boarding-up the windows of both vacant buildings. We need volunteers to help with this project. The museum will be in the Alumni Room, also known as the Charles Whisman Room. This room will be used only as a museum. If any of you know of any old ISD pictures, furnishings, etc., please bring them to the Alumni Room. I have heard that some of ISD's old furnishings that were auctioned off some years ago are in the possession of different groups of people. I hope that many of you will help us by informing anyone you know who has some of these materials that we are searching for them and want them for the museum. The old Girls' Dorm and Service/Dining Hall have been searched already and almost nothing turned up. The old 1200 Club '50s Jukebox is also missing - do you know its whereabouts? If you have any questions or information please contact me. Thank you, David Reynolds, Bi/Bi Coordinator

Babysitter needed - For a 5 year old Deaf boy and a 3 year old hearing girl. Deaf person or hearing with good sign skills. Preferably in my home but will negotiate. Transportation to my home can be provided. Hours needed - weekdays, 6 - 10 pm (or later), weekends - 9 am - 1 or 2 pm. Please call Renita Terry at 844-2136 (V/TT) between 4 - 10 pm Monday - Wednesday, 4 - 6 pm Thursday & Friday, weekends 9 - 10 am.

Special food requests limited - When planning your spring outings, please remember that Brown Cafeteria will not accept any special food requests for the weekend of May 22nd - 24th due to the Annual Sports Banquet. However, Willard Cafeteria will accept a limited number of requests on a first come - first served basis. Cafeteria Staff

Hoosier Outdoor Club of the Deaf will provide a ski clinic at *Ski World* on Saturday, February 29, 1991. For those who want to learn how to ski OR for those who want to improve their skill (Interpreters will be provided)

## PTCO Sign Classes Registration

Classes are 7 weeks long and meet 1 night per week for 1 & ½ hours. There are two different series of classes:

**Survival Skills Signs** - A limited ASL phrases class designed to impart a small set of signs to the student who may encounter Deaf clients/customers in emergency, sales/service, or other situations. This class consists of ASL phrases to facilitate an easy communication between Deaf and hearing.

***Signing Naturally*** - An integrated, Deaf designed ASL curriculum including culture, grammar, and vocabulary. For the student who wishes to learn the language actually used by Deaf people in everyday life.
